

2022

PROJECT ELIGIBILITY & INFORMATION PACKET

Associated Builders and Contractors Heart of America Chapter celebrates exceptional performance in safety, craftsmanship, best practices and overall project management and execution. We are pleased to invite you to enter your project for the 2022 Excellence in Construction Awards.

.....

**PROJECT APPLICATIONS
DUE JULY 29**

**PROJECT SUBMISSIONS
DUE SEPTEMBER 8**

PROGRAM OVERVIEW

The Excellence in Construction awards program is the industry's leading competition, developed to honor innovative and high-quality Merit Shop construction projects. The award honors all construction team members, including the contractor, owner, architect and engineer. The winning projects, selected from entries submitted from across Missouri and Kansas, are judged on complexity, attractiveness, unique challenges overcome, completion time, workmanship, innovation, safety and cost.

All winners will be celebrated at our awards banquet on Thursday, November 3rd, 2022 at the North Club at Arrowhead Stadium from 5:30-9:30PM.

ENTRY REQUIREMENTS

1. Only ABC Heart of America Chapter contractor members in good standing are eligible to enter.
2. Projects must be completed between September 1, 2021 and August 31, 2022.
3. All applications are due by July 29, 2022 and all project submissions are due by September 8, 2022.
4. No company that experiences a safety-related fatality of a direct employee in the United States within the current program year (September 1, 2021 - August 31, 2022) is eligible for an Excellence in Construction Award. If a subsidiary is a direct ABC member versus part of a larger holding company member, then the subsidiary with a safety-related fatality is not eligible, but another subsidiary of the same holding company may be.

A company that experienced a safety-related fatality of a direct employee in the United States during the three years before the current program year is required to provide additional information regarding action that has been taken following the fatality.

No project that involves prime, multi-prime or sub-trade contractors with a safety-related fatality is eligible to be considered for an award.

There is a \$325 fee for each project submitted in a category. Payment must be received by check or credit card no later than July 29, 2022.

5. Projects may only be entered in one category. ABC reserves the right to change an entry's original category or subcategory based on overall submissions. Detailed category descriptions are listed in this project eligibility and application packet.
6. Entries may only be electronically submitted. No physical entry binders will be accepted.
7. ABC has the right to use photos submitted by the contractor to promote merit shop construction.

CONTACT INFORMATION

If you have any questions about the application or submission process please contact info@abcksmo.org or call 816.994.5990.
